Main Features

- Use in Office range faceplates
- Threaded mating
- 25 Year system warranty
- For use with Satellite cables
- Straight Through Coupler

Product Overview

The Excel "F type" adaptor plate is perfect for audio visual installations where a satellite signal needs to be presented for distribution throughout a premises or residential building. The screw on design makes the mating of the connector extremely reliable.

The euro size plate allows for easy installation in to the Office range of faceplates allowing the presentation of the unit on a wall when needed.
