## Main Features

/ 25 Year system warranty

/ Integrated individual shutters

/ Flangeless

## Product Overview

Excel Enbeam fibre optic flangeless adaptors have been designed to present a range of optic fibre connectors. The flangeless adaptors are constructed to allow fitting in the bulkheads without the need for screws or nuts.

The housings are manufactured from a range of plastics and metals selected to provide optimum performance. The integrated individual shutters offer protection from the powerful light source by automatically closing when the patch cords are removed.
