Main Features

/ LC to MTP Factory Terminated

/ Fits both 4-way angled and 5-way straight 1U patch panels

/ Factory terminated and tested

/ Both 6 and 12 Duplex LC (12 and 24 core) cassettes are available

/ Choice of fibre grades

/ US Conec MTP Elite Connectors

Product Overview

The Excelerator High Density 6 Duplex LC Fibre Optic MTP® Cassette mounts directly into the Excelerator Fibre Optic Cassette Patch Panel for mounting into a 19" cabinet.

This range of products have been designed and manufactured to support both the preterminated and the emerging 40/100 Gigabit Ethernet fibre optic installations.

The cassettes are terminated with the superior quality US Conec Elite MTP® connector. The 6 Duplex Port cassette has one MTP Elite® connector on the rear.
