| EN 50173-1:2018                                  | Information technology. Generic cabling systems - General requirements                                                                                                                                                                                                   |
| Directive 2008/98/EC (WFD)                       | Waste Framework Directive — compliant. Implemented in the UK through the Waste (England and Wales) Regulations 2011 (SI 2011 No. 988).                                                                                                                                   |
| ECHA SCIP Database                               | Compliant; product does not contain SVHCs (Substances of Very High Concern) as defined under REACH Article 33(1). Submission obligations met under EU REACH and UK REACH.                                                                                                |
| Regulation (EU) 2019/1021 (POPs)                 | EU Regulation on Persistent Organic Pollutants — compliant. For Great Britain, compliance is aligned with the Persistent Organic Pollutants (Amendment) (EU Exit) Regulations 2020 (SI 2020 No. 1355).                                                                   |
| RoHS-II/-III (2011/65/EU & 2015/863): 2023       | Our products, demonstrate full adherence to the regulatory stipulations of the EU Directive 2011/65/EU (RoHS-II) and its corresponding delegated directive 2015/863 (RoHS-III).                                                                                          |
| Directive (EU) 2015/863 (RoHS III)               | Amending Directive 2011/65/EU to add four phthalates (DEHP, BBP, DBP, DIBP) to Annex II — compliant.                                                                                                                                                                     |
| UK SI 2012 No. 3032                              | The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 (UK RoHS) — compliant for Great Britain. Retained EU law, as amended by the Product Safety and Metrology (Amendment etc.) (EU Exit) Regulations 2019. |
| WFD: 2023                                        | Compliant to Waste Framework Directive                                                                                                                                                                                                                                   |
| SCIP: 2023                                       | Compliant - Does Not Contain Substances of Concern In articles as such or in complex objects (Products)                                                                                                                                                                  |
| POPs (EU) No 2019/1021                           | EU Regulation for the restriction of Persistent Organic Pollutants.                                                                                                                                                                                                      |

The goods detailed here have been produced from an approved supplier to this company and manufactured in accordance with the standards and technical descriptions/specifications detailed above.

## EU Declaration of Conformity
