

# Excel Angled Shutter LJ6C for Keystone Jack Black

Item Code: 100-022-BK

Choice of colours

Compatible with a range of faceplates

With labelling field

Fits industry standard Lj6C apertures

CIBSE TM65 Embodied Carbon: 0.096 kg CO2e

## Product Overview

A range of mounting options are available for the Excel Keystone Tool-less Jacks that allow them to be installed in a number of situations. This flexibility results in the ability to have the same jacks terminating the cable in the patch panel and at the outlet. The angled design optimises space whilst ensuring minimal stress to installed cables

These shutters are available in the Lj6C size of 22.5 x 37 mm. They come with windows and labels fitted to complete the installation. Blanking plates available in half and single size are available in the Euromod size to configure single or triple outlets.

## Product Specifications

| Feature           | Values                        |
|-------------------|-------------------------------|
| Application       | Mounting cover data connector |
| Material          | Plastic                       |
| Colour            | Black                         |
| RAL-number (akin) | 9011                          |
| Type of fastening | Engage (snap)                 |
| Width of device   | 22 mm                         |
| Height of device  | 37 mm                         |
