

Excel Angled Shutter LJ6C for Keystone Jack Violet

Item Code: 100-022-VT

excel
without compromise.

Choice of colours

Compatible with a range of faceplates

With labelling field

Fits industry standard Lj6C apertures

CIBSE TM65 Embodied Carbon: 0.096 kg CO2e

Product Overview

A range of mounting options are available for the Excel Keystone Tool-less Jacks that allow them to be installed in a number of situations. This flexibility results in the ability to have the same jacks terminating the cable in the patch panel and at the outlet. The angled design optimises space whilst ensuring minimal stress to installed cables

These shutters are available in the Lj6C size of 22.5 x 37 mm. They come with windows and labels fitted to complete the installation. Blanking plates available in half and single size are available in the Euromod size to configure single or triple outlets.

Product Specifications

Feature	Values
Application	Mounting cover data connector
Material	Plastic
Colour	Violet
RAL-number (akin)	PANTONE2613C
Type of fastening	Engage (snap)
Width of device	22 mm
Height of device	37 mm
