✕ Ideal for standard and pre-terminated installations

✕ Angled "V" Shape Patch Panel

✕ Supplied with earthing kit

✕ Cage nuts sold separately

✕ 25 Year system warranty

Product Overview

The Excel 24 Port 1U Keystone V Patch Panel allows standard keystone jacks to be presented in an angled patch panel configuration. The patch panel is designed to accept all of the Excel unscreened and screened standard keystone jacks from the Category 5e, 6 & 6A portfolios.

This panel includes a rear cable manager to allow the cable to be dressed into the panel neatly and securely. The V shape of the panel presents the jacks at an angle to the front of the cabinet that reduces the strain on the jack that results from the patch lead. The patch lead is naturally routed to the cabinet/frame cable management reducing the requirement for rack mounted cable management bars.

Product Specifications

Feature	Values
Suitable for number of outlets / modules	24
Category	Keystone jack dependent
Number of rack units (RU)	1
Colour	Black
Mounting method	19 inch mounting
Height	44 mm
Width	482.5 mm
Depth	107.11 mm
