- ✕ CIBSE TM65 Embodied Carbon: 6.329 kg CO2e

Product Overview

Excel Cat6a STP Screened Angled Keystone Jack Toolless Silver, available as part of our range of excel cat6a keystone jacks for RJ45 network connections.

A toolless termination angled RJ45 socket suitable for mounting in a range of patch panels. The angled design of the socket face makes this product ideal for high density frames. Traditional horizontal patch cable management bars can be removed or reduced in number as the leads follow a natural route to the left or right of the panel and the cabinets vertical management.

This angled keystone jack is manufactured in a high quality zinc die cast housing, with butterfly style Toolless IDC termination points.
