Product Overview

A range of mounting options are available for the Excel Keystone Tool-less Jacks that allow them to be installed in a number of situations. This flexibility results in the ability to have the same jacks terminating the cable in the patch panel and at the outlet.

These shutters are available in the Euro Module size of 25 x 50 mm. They come with windows and labels fitted to complete the installation. Blanking plates available in half and single size are available in the Euro Module size to configure single or triple outlets.
