

Excel Plus Cat5e 24 Port Unscreened Patch Panel Right-Angled 1U LSA Punch Down Black

Item Code: 100-490

- Choice of port density
- Supports Gigabit Ethernet
- Cage nuts and mini cable ties included
- LSA Style Termination Blocks
- T568A/B Wiring Configuration

Product Overview

Excel Plus Category 5e Patch Panels comply with the current standards for enhanced Category 5.

Each panel consists of a number of 8 way blocks of RJ45 sockets, housed in a high quality plastic moulding. To the front of the panel this moulding contains the new easy to use slide label system. Each block of 8 sockets has its own label which can be removed from either side of the covered label field. The label strip itself is protected by a clear, tough plastic insert.

To make installation as easy and fast as possible, the LSA compatible termination blocks are positioned at a right angle to the panel front on the built in rear cable management tray.

Product Specifications

Feature	Values
Number of ports – loaded	24
Type of connector	RJ45 8(8)
Shielded	no
Category	5E
Connection type	LSA
Number of rack units (RU)	1
Colour	Black
Mounting method	482.6 mm (19 inch) mounting
Height	44 mm
Width	480 mm
Depth	96 mm
