

# Excel Medium Riser Enclosure Residential Network Cabinet 400 x 604 x 125 mm Light Grey

Item Code: 100-651

**excel**  
without compromise.

Compact design

Integrated cable tie points

Lockable front door

10" mounting profiles

Dedicated cable routing area

Use p/n 100-753 Keystone Frame for mounting Keystone Jacks

## Product Overview

Excel Medium Riser Enclosure Residential Network cabinet 400mm x 604mm x 125mm Light Grey, part of a huge range of Network Data Cabinets available from Mayflex.

The Excel range of wall enclosures has been designed to be a multifunctional set of products, which can form part of a network in multiple locations. With the ability to change the internal structures to fit most applications within a passive optical network and edge of network cabling designs, these enclosures can be adapted to house either fibre or copper (or both) within a confined space. These enclosures are suitable for risers, equipment rooms and remote locations.

The Excel Medium Riser enclosure allows equipment to be mounted on to multifunctional mounting plates in various configurations throughout the enclosure. Dedicated 10" mounting profiles offer adequate space for up to 24 RJ45 connections that allow copper and fibre connections to be fixed inside according to the customer's requirements. With the removal of the internal mounting plate, the enclosure can be converted to a fibre optic splice box, allowing up to 240 fibres to be spliced. Each enclosure has multiple cable fixing points using cable ties of two dedicated cable clamps for steel tap armoured cables. Dedicated side management enables easy routing of incoming and outgoing cables via the integrated brush strips at the top and bottom of the unit.

## Product Specifications

Feature	Values
Mounting Profile	Yes
Model	Residential
Type of profile rail	L-shaped
Number of doors	1

# Excel Medium Riser Enclosure Residential Network Cabinet 400 x 604 x 125 mm Light Grey

Item Code: 100-651

Width	400 mm
Height	604 mm
Depth	125 mm
Modular spacing	254 mm (10 inch)
With roof plate	yes
With front door	yes
Side panels included	no
Material	Steel
Type of surface	Powder coated
Colour	Grey White
RAL-number	9002

## Additional specifications

Features	Values
Cable entry /exit	Brush strip
IP rating	IP20
Material thickness	1.2mm
Material coating	Powder Coating
M6 earthing stud	1
Operating temperature	-40 to +60 °C
Intergrated tie points	Top/Bottom

# Excel Medium Riser Enclosure Residential Network Cabinet 400 x 604 x 125 mm Light Grey

Item Code: 100-651
