

Item Code: 100-653

- X Compact design
- X Integrated cable tie points
- X Lockable front door
- X Two DIN Rail mounting bars
- X Use p/n 100-753 Keystone Frame for mounting Keystone Jacks
- X CIBSE TM65 Embodied Carbon: 18.971 kg CO2e

Product Overview

Excel Environ Small Riser Enclosure Residential Network cabinet 300mm x 300mm x 100mm Light Grey, part of a huge range of Network Data Cabinets available from Mayflex.

The Excel range of wall enclosures has been designed to be a multifunctional set of products, which can form part of a network in multiple locations. With the ability to change the internal structures to fit most applications within a passive optical network and edge of network cabling designs, these enclosures can be adapted to house either fibre or copper (or both) within a confined space. These enclosures are suitable for risers, equipment rooms and remote locations.

The Excel Small Riser enclosure allows equipment to be mounted on two DIN Rail mounting bars. This enclosure is a versatile unit that allows copper and fibre connections to be fixed inside according to the customer?s requirements. The enclosure features brush strip entry points at the top and bottom of the unit with integrated cable tie off points.
