# Excel Environ Large Riser Enclosure Network Cabinet 600mm x 250mm x 650mm Light Grey

Item Code: 100-659

- X Brush strip entry
- X Integrated cable tie points
- X Lockable front door
- X Angled 19" mounting profiles
- X Dedicated 19" equipment profiles
- Accepts standard Copper and Fibre 19" Patch Panels

#### **Product Overview**

100-659 Excel Environ Large Riser Enclosure Network Cabinet 600mm x 250mm x 650mm Light Grey, part of a huge range of Network Data Cabinets available from Mayflex.

The Excel range of wall enclosures has been designed to be a multifunctional set of products, which can form part of a network in multiple locations. With the ability to change the internal structures to fit most applications within a passive optical network and edge of network cabling designs, these enclosures can be adapted to house either fibre or copper (or both) within a confined space. These enclosures are suitable for risers, equipment rooms and remote locations.

The Excel Large Riser enclosure has been designed to house up to 96 RJ45 connections on its dedicated 19" mounting profiles at the top of the enclosure. These profiles can be angled to allow ease of installation and reduce the length of patch cables required. The lower section allows mounting of 19" switches or fibre optic panels. The profile height can be adjusted to allow for deeper equipment. The box has adequate ventilation points throughout the enclosure reducing the need for internal fans. Cable entry is via brush strips featured at the top and bottom of the unit with integrated cable tie off points.

## **Product Specifications**

Feature	Values
Mounting Profile	Yes
Model	Residential
Type of profile rail	L-shaped
	1
Number of doors	1
Width	600 mm
Height	650 mm

# Excel Environ Large Riser Enclosure Network Cabinet 600mm x 250mm x 650mm Light Grey

Item Code: 100-659

Depth	250 mm
Modular spacing	19 inch
With roof plate	yes
With front door	yes
Side panels included	no
Material	Steel
Type of surface	Powder coated
Colour	Grey White
RAL-number	9002

## **Additional specifications**

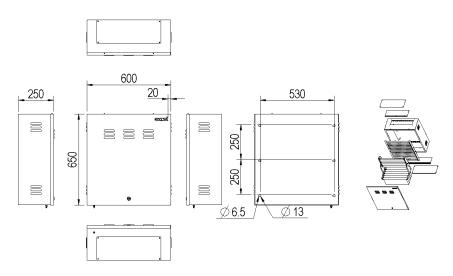

Features	Values
Top cable entry / exit	Brush Strip
Bottom cable entry / exit	Brush Strip
IP rating	IP20
Material thickness	1.2mm
Material coating	Powder Coating
M6 earthing stud	1
Operating temprature	-40 to +60 °C
Intergrated tie points	Top/Bottom
Horizontal patching field	4U
Equipment patching field	4U
