Product Overview

100-762 Excel MicroLan Network Cabinet 480mm x 370mm x 300mm Black, part of a huge range of Network Data Cabinets available from Mayflex.

Excel Microlan system is ideal for small and medium sized cabling installations and for sites where space is at a premium, making the standard 19" rack system impractical. The broad range of copper, fibre and active components ensure that all requirements can be met and housed neatly in the compact, unobtrusive Microlan Cabinet.
