Item Code: 100-775

excel
without compromise.

Suitable for all categories of keystones

Covered screened or unscreened

Separate port coloured inserts available

Earth kit, cage nuts included

Fast fit rear cable management

Product Overview

Excel keystone jack patch panel frames are available for mounting the range of screened and unscreened Excel toolless keystone jacks. This particular panel allows for fitting of coloured port ID rings to identify which ports support a particular system. The plastic rings are available as separate part codes in red, blue, green or yellow in packs of 6 as part codes 100-775-001 to 004.

A rear management tray with purposely designed cable tie positions, is supplied with each panel which is fitted without the need for any tools or fixings by simply snapping it into place.
