

Excel Telephone Extension/Cat6 10" Panel

Item Code: 100-860

10" Combined Telephone Extension/Category 6 Panel

4 x Telephone Extensions

8 x Category 6 Ports

For use with Slimline Soho Cabinet

LSA Style punchdown

Residential

25 Years system warranty

Product Overview

The Excel Telephone Extension panel combines 1 telephone input to 4 output RJ45 ports, with 8 Category 6 ports, this is ideal for the residential installation market, to distribute wired telephone extensions.

The telephone input has either 1 RJ45 or 110 punchdown options available and the Category 6 ports have 100 punchdown at the rear. This has been specifically designed to work with the Excel residential SOHO cabinet that utilises a 10" profile for the patching fields and houses network switches as well as ISP DSL routers.

Product Specifications

Feature	Values
Number of ports - loaded	4+4
