

# Excel Trunk Cable Manager Black

Item Code: 100-922

Integrated U saving design

Ideal for Top of Rack applications

Keeps cable slack tidy

Can be used throughout the Excel Environ Range

4 x Vertical rings 68mm

25 Year system warranty

## Product Overview

The Excel Trunk Cable Manager is designed to accommodate excess slack trunk cable within the data centre or MER. It is particularly effective for managing pre-terminated fibre installations when exact measurements are not always possible.

This sturdy solution created from 1.5mm powder coated mild steel also combines 4 plastic management rings at the front to provide the patch lead management without taking up any additional U space.
