

Excel Trunk Cable Manager Black

Part Code: 100-922

sales@excel-networking.com
excel-networking.com

Main Features

- / Integrated U saving design
- / Keeps cable slack tidy
- / 4 x Vertical rings 68mm
- / Ideal for Top of Rack applications
- / Can be used throughout the Excel Environ Range
- / 25 Year system warranty

Product Overview

The Excel Trunk Cable Manager is designed to accommodate excess slack trunk cable within the data centre or MER. It is particularly effective for managing pre-terminated fibre installations when exact measurements are not always possible.

This sturdy solution created from 1.5mm powder coated mild steel also combines 4 plastic management rings at the front to provide the patch lead management without taking up any additional U space.
