Product Overview

Excel solid Cat6A cable individually screened full F/FTP LSOH CPR Euroclass Dca designed and manufactured to meet and exceed the ISO, CENELEC and TIA standards and supplied on a Reelex 305 m box. Excel Cat6A fully screened (F/FTP) cable takes the performance capabilities of copper infrastructure to new levels. This delivers Class EA/Augmented Category 6A link performance over distances of up to 90 m which supports the applications including 10GBASE-T, 10 Gigabit Ethernet.

Each cable consists of four pairs which are individually wrapped with a high quality, strong, aluminium/polyester foil tape providing screening for each pair. The individual pairs are set to different lay lengths to ensure optimum performance. These are then wrapped in another overall foil.
