# Excel Enbeam OM3 Multimode Fibre Optic Cable Loose Tube 4 Core 50/125 Dca Black

### Item Code: 200-150

#### **Product Overview**

Excel OM3 50/125 µm loose tube optical fibre cables have been designed specifically for internal and external applications. These compact, lightweight cables are extremely flexible and are quick and easy to install.

The cables are constructed around a gel filled (non-dripping and silicon free) tube containing up to 24 colour coded 250  $\mu$ m primary coated fibres. This tube is covered with an E-Glass strength member.

#### **Product Specifications**

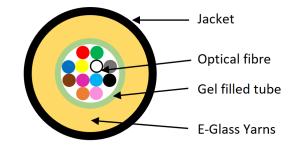

| Feature  | Values                          |
|--|---------------------------------|
| Number of Cores                                | 4                               |
| Type of tube                                   | Loose tube                      |
| Number of fibres per tube                      | 4                               |
| Fibre type                                     | Multi mode 50/125               |
| Category                                       | ОМ3                             |
| Rodent resistant                               | yes                             |
| Outer sheath material                          | Copolymer, thermoplastic (LS0H) |
| Outer sheath colour                            | Black                           |
| Flame retardant according to IEC 60332-1-2     | yes                             |
| Low smoke (acc. IEC 61034-2)                   | yes                             |
| Reaction-to-fire class according to EN 13501-6 | Dca                             |

# Item Code: 200-150

| Smoke development class according to EN 13501-6               | s2   |
|---|------|
| Euro class flaming droplets/particles according to EN 13501-6 | d2   |
| Euro class acidity according to EN 13501-6                    | al   |
| Outer diameter approx.  | 6 mm |

#### **Cross-section diagram**

### Colour coding (as per TIA-598-C)

For fibre core counts above 12 the colour sequence is repeated with the addition of a mark every 70mm for cores 13-24 and two marks for 25-36 and so on.

### **Cable specifications**

| Features        |           | Values  |
|-----------------|-----------|---|
| Loose Tube      | Material  | PBT   |
|                 | Diameter  | 2.8±0.1mm(2-12 cores),<br>3.5±0.20mm(16-24 cores) |
|                 | Thickness | 0.35±0.05mm                                       |
| Strength Member | Material  | E-glass Yams                                      |
| Sheath          | Material  | LSZH  |
