## Additional specifications

| Features            | Values          |
|---------------------|-----------------|
| Abrasive Type       | Aluminium Oxide |
| Backing Material    | Polyester Film  |
| Sheet Thickness     | 3 mil           |
| Sheet Size          | 250mm x 280mm   |
| Colour - 0.3 micron | White           |
| Colour - 1 micron   | Light Green     |
| Colour - 3 micron   | Pink            |
| Colour - 5 micron   | Brown           |
| Colour - 9 micron   | Blue            |
| Colour - 12 micron  | Yellow          |
| Colour - 30 micron  | Green           |

## Part Code Table

| Part Code | Description   |
|-----------|---|
| 200-864   | Excel Enbeam Fibre Optic Polishing Film Aluminium Oxide 0.3µm White     |
| 200-866   | Excel Enbeam Fibre Optic Polishing Film Aluminium Oxide 1µm Light Green |
| 200-868   | Excel Enbeam Fibre Optic Polishing Film Aluminium Oxide 3µm Pink        |
| 200-870   | Excel Enbeam Fibre Optic Polishing Film Aluminium Oxide 5µm Brown       |
| 200-872   | Excel Enbeam Fibre Optic Polishing Film Aluminium Oxide 9µm Blue        |
| 200-874   | Excel Enbeam Fibre Optic Polishing Film Aluminium Oxide 12µm Yellow     |
