

# Enbeam Fibre/Sharps Waste Disposal Bin

Item Code: 200-921

**excel**  
without compromise.

✕ Suitable for fibre shards and blades

✕ 0.6L capacity

✕ Tough plastic construction

✕ Re-sealable lid

✕ Fully labelled detailing contents

## Product Overview

Small sharps bin, which is ideal for containment and disposal of fibre shards and general sharp or dangerous waste. The secure and re-sealable lid ensures no spillage. Visible yellow & orange and labelled to indicate hazardous contents. A must for all fibre optic termination practitioners where fibre cut-off ends and syringes are used. Must be disposed of correctly.
