Item Code: 202-040

excel
without compromise.

Cut-outs to suit any glanding configuration can be drilled on site

Splice Mgt kit included - 2 x glands/nuts, splice bridge and curly loks

25 Year system warranty

Product Overview

These patch boxes and splice enclosures are manufactured from impact resistant polycarbonate and provide a cost effective means of breaking out fibres from multicore cables prior to termination or splicing.

The boxes provide protection against water and dust ingress to IP55. The lids are attached using captive screws. A wide range of accessories are available.

Product Specifications

Feature	Values
Height	220 mm
