## Excel Enbeam 24 Fibre Steel Splice Box Unloaded

Item Code: 202-120

- Cut-outs to suit any glanding configuration can be drilled on site
- X Comes with 4 entry points
- X Comes with 2 PG 9 and 2 PG 21 glands
- X 25 Year system warranty
- $oldsymbol{\mathsf{X}}$  CIBSE TM65 Embodied Carbon: 38.167 kg CO2e

#### **Product Overview**

These patch boxes and splice enclosures are manufactured from impact resistant steel and provide a cost effective means of breaking out fibres from multicore cables prior to termination or splicing. The boxes provide protection against water and dust ingress to IP65. The lids are attached using captive screws.

## **Product Specifications**

| Feature                | Values          |
|------------------------|-----------------|
| Mounting method        | Surface mounted |
| Type of covering       | Door            |
| Type of door           | Single          |
| Transparent cover/door | no              |
| Height                 | 430 mm          |
| Width                  | 330 mm          |
| Depth                  | 199 mm          |
| Colour                 | White           |
| Material housing       | Steel           |
| IP-rating              | IP65            |
|                        |                 |
