

# Excel Enbeam 24 Way Multimode Fibre Optic Panel 12 SC Duplex (24 Fibre) Violet

Item Code: 204-530

**excel**  
without compromise.

Loaded with flangeless adaptors

Multiple cable entry to rear

Up to 48 fibres

1U rack space design

Recessed adaptors

25 year system warranty

CIBSE TM65 Embodied Carbon: 20.398 kg CO<sub>2</sub>e

## Product Overview

The Excel range of SC patch panels are sliding drawer "tray style" housings suitable for either direct termination or splicing of up to 48 fibres in 1U of rack space. Each panel is manufactured from high quality 2 mm thick steel powder coat finish to provide a strong and durable unit.

To the front of the patch panel the specified number of duplex adaptors are loaded from left to right. Each panel utilises colour coded adaptors, beige, aqua and violet for multimode, blue for singlemode and green for SM APC. Each duplex adaptor accommodates two terminated fibres.

Each panel has included within it a set of fixing brackets, and a cable management pack which includes cable entry glands, cable ties, and a 24 way splice bridge.

Note that SC panels can be assembled to order using a combination of adaptors, pigtails and splice cassettes - call to enquire.

## Product Specifications

| Feature                                  | Values |
|--|--------|
| Suitable for number of fibre cores       | 48     |
| Suitable for number of module inserts    | 24     |
| Loaded with number of couplings/adapters | 12     |
