- ✓ Fits both 4-way angled and 5-way straight 1U patch panels
- ✓ Choice of fibre grades
- ✓ Factory terminated and tested
- ✓ US Conec MTP Elite Connectors
- ✓ Compatible with Excelerator Fibre Optic Cassette Patch Panel

Product Overview

The Excelerator High Density 6 Duplex LC Fibre Optic MTP® Cassette mounts directly into the Excelerator Fibre Optic Cassette Patch Panel for mounting into a 19" cabinet.

This range of products have been designed and manufactured to support both the preterminated and the emerging 40/100 Gigabit Ethernet fibre optic installations.

The cassettes are terminated with the superior quality US Conec Elite MTP® connector. The 6 Duplex Port cassette has one MTP Elite® connector on the rear.

These cassette patch panels allow for the ability to expand the installation in the future with very low risk to the installed network. These patch panels also allows different categories of fibre optics to be presented together in the same cabinet 'U' space.

Product Specifications

Feature	Values
Suitable for number of fibre cores	12
With coupling/adapter	yes
Type of connector external	LC-Duplex
Type of connector interior	MT/MPO

Excel HD OM4 MTP FIB CASS:6 Duplex LC 12 Core-Enhanced

Item Code: 208-013-EP

Fibre type

OM4
