## Excel Enbeam Single External 5/3.5 mm Blowing Tube Green

Item Code: 208-750

X Duct-installable	
X HDPE Sheath	
X Multiple sizes available	
X Multiple bundle configurations	
X Crush and impact resistant	
X RoHS Compliant	

## **Product Overview**

Enbeam duct installable blowing tubes have been designed for direct installation into existing ducts to allow blown fibre to be distributed externally. All tube bundles are over-sheathed with High Density Polyethylene (HDPE) to withstand the friction when installing the micro ducts.

All internal tubes are colour coded for easy identification and have a low friction inner coating to reduce drag & maximise blowing distances. Tubes are easily broken out of the main sheath and can be branched-off using the Enbeam push-fit blown tube connectors. The tubes are supplied on disposable wooden drums and capped at both ends to prevent ingress of moisture or contamination.

## **Product Specifications**

Feature	Values
Suitable for outdoor installation	yes
Halogen free	no
Outer sheath colour	Green

## **Part Number Table**

Part Number	Description
208-750	ENBEAM SINGLE HDPE EXTERNAL 5/3.5mm B/TUBE GREEN
