

Excel Enbeam Single Internal 5/3.5 mm Blowing Tube LS0H White

Item Code: 208-770

✕ Internal application

✕ LS0H sheath

✕ Multiple sizes available

✕ Multiple bundle configurations

✕ Crush and impact resistant

✕ RoHS compliant

Product Overview

Enbeam Internal blowing tubes have been designed to allow blown fibre to be distributed internally. The internal grade tubes are over-sheathed with Polyethylene and Halogen free (HF) flame retardant material. All internal tubes are colour coded for easy identification and have a low friction inner coating to reduce drag & maximise blowing distances.

Tubes are easily broken out of the main sheath and can be branched-off using the Enbeam push-fit blown tube connectors. The tubes are supplied on disposable wooden drums and capped at both ends to prevent ingress of moisture or contamination.

Product Specifications

Feature	Values
Suitable for	Indoor
Halogen free	yes
Outer sheath colour	White
