

# Excel Enbeam 4 Way External 5/3.5 mm Blowing Tube Black

Item Code: 208-801

- ✕ Duct-installable
- ✕ HDPE sheath
- ✕ Available up to 24x 5 mm bundles
- ✕ Crush and impact resistant
- ✕ RoHS compliant
- ✕ 25 Year system warranty

## Product Overview

Enbeam external blowing tubes have been designed to allow blown fibre to be distributed externally and within ducts. The external grade tubes are over-sheathed with High Density Polyethylene (HDPE). The tubes have a low friction inner coating to reduce drag & maximise blowing distances.

The compact tubes can accommodate Excel fibre units containing from 2 to 12 fibres and are colour-coded for identification.

The tubes are easy to terminate and branch-off using suitable Excel connection closures and push-fit connectors.

The tubes are supplied on disposable wooden drums and capped at both ends to prevent ingress of moisture or contamination.

## Product Specifications

Feature	Values
Suitable for	Outdoor
Outer sheath colour	Black

## Part Number Table

Part Number	Description
208-800	Excel Enbeam 2 Way External 5/3.5 mm Blowing Tube Black
