

# Excel Enbeam 4 Way Internal 5/3.5 mm Blowing Tube LS0H White

Item Code: 208-806

**excel**  
without compromise.

✕ Internal application

✕ LS0H sheath

✕ Available up to 24x5 mm bundles

✕ Crush and impact resistant

✕ Euroclass: B2ca-s1,d0 and RoHS compliant

✕ 25 year system warranty

## Product Overview

Enbeam Internal blowing tubes have been designed to allow blown fibre to be distributed internally. The internally grade tubes are over-sheathed with Polyethylene and Halogen free (HF) flame retardant material foil. The tubes have a low friction inner coating to reduce drag and maximise blowing distances.

The compact tubes can accommodate Excel fibre units containing from 2 to 12 fibres and all internal tubes are numbered for identification purposes.

The tubes are easy to terminate and branch-off using suitable Excel connection closures and push-fit connectors.

The tubes are supplied on disposable wooden drums and capped at both ends to prevent ingress of moisture or contamination.

## Product Specifications

Feature	Values
Suitable for	Indoor
Halogen free	yes
Outer sheath colour	White

# Excel Enbeam 4 Way Internal 5/3.5 mm Blowing Tube LSOH White

Item Code: 208-806

## Additional specifications

Features	Values
Transport and storage temperature range	-40°C to +70°C
Installation temperature range	-10°C to +50°C
Operating temperature range	-40°C to +70°C
Outdoor exposure limit in Central Europe	max. 12 months
