

# Excel Enbeam Blown Fibre Tube 18 mm Clear Straight Connector

Item Code: 208-834

- ✕ Straight connector
- ✕ Multiple sizes available
- ✕ Locking clips included
- ✕ 25-year system warranty

## Product Overview

The Enbeam Push-Fit micro duct connectors are designed for use with the Enbeam blown fibre micro duct system. All push fit connectors are made from a clear transparent body, which gives the ability to visually inspect the installed cable and that the tubes are installed and aligned correctly.

Pre-installed locking clips are included on each end of the connector to ensure tubes are locked into position ensuring a good connection is retained during the blowing process. Each connector can withstand up to 1 Joule of impact pressure and be reused if required. It is advisable to keep the connectors away from direct sunlight.
