

Excel Enbeam Blown Fibre Tube Stop End 16 mm

Item Code: 208-852

- ✕ Stop end
- ✕ Multiple sizes available
- ✕ Locking clip included
- ✕ 25-year Warranty

Product Overview

The Enbeam Push-Fit micro duct stop ends are designed for use with the Enbeam blown fibre micro duct system and used to block the ends of unused ducts to prevent water and dust ingress. All push fit connectors are made from a clear transparent body, this gives the ability to visually inspect that tubes are installed correctly.

Pre-installed locking clips are included on each stop end to ensure tube is locked into position ensuring a good connection is retained during the blowing process. Each stop end can withstand up to 1 Joule of impact pressure and be reused if required. It is advisable to keep the connectors away from direct sunlight.

Product Specifications

Feature	Values
Tube diameter	16 mm

Additional specifications

Features		Values
Materials	body	Clear polyamide
	grip	Stainless steel
	cover	Polyoxymethylene
	clips	Polypropylene
Pressure	burst	25 bar
	working	15 bar
Impact resistance		1J (or 5J with cover)
UV Resistance		None

Excel Enbeam Blown Fibre Tube Stop End 16 mm

Item Code: 208-852

Lifetime expectancy	total	25 years
Temperatures	operating	-15°C to +45°C
	installation	-15°C to +45°C
