Product Overview

The Excel grid outlet position (GOP) box narrow has been developed from the successful original versions. This range is available in two versions from 2 way to 4 way. The 2 and 4 way are available with a 25 mm flexible conduit fixing point. The range has been developed for fixing to the end of flexible conduit typically where outlets are presented in a grid layout with cable containment mounted within a raised floor system. The GOP box then has a degree of flexibility to be positioned within the radius of the flexible conduit to suit the office layout. 25 mm and 32 mm "L" brackets are available to fix the other end of the flexible conduit to the floor slab. GOP Boxes are typically then attached to the underside of the desk, the flexible conduit passing through the floor tile via a grommet. These Plus versions are enhanced with...
