Main Features

- / Clip-shut design no screws required
- / Integrated ID window for easy labelling
- / Knockout LJ6C blanks for unused insert positions
- / Slotted and plain fixing holes to support easy fitting
- / Made from 80% recycled material
- / IK Rating of IK06

Product Overview

The Excel GOP Plastic Box has been completely redesigned to deliver improved performance, easier installation, and enhanced durability. Manufactured from recycled plastic containing at least 80% recycled material. The new range provides a lower weight configuration that achieves mechanical integrity without compromise to integral strength. Available in 2-way, 4-way, and 6-way configurations, each version is optimised for common conduit sizes, 2-way accepts 25 mm conduit (narrow design), 4-way accepts both 25 mm and 32 mm conduit and includes a threaded adaptor, 6-way accepts 32 mm conduit. Designed for use at the end of flexible conduit runs, GOP Boxes are ideal for grid-layout outlets within raised floor systems. The plastic housing features a generous underside radius to assist with clearance through desktop cable holes, allowing flexible positioning to suit varying office layouts. Once installed, the box is typically secured to the underside of the desk, with the conduit routed through the...
