

Excel 6 Way Enhanced Plastic GOP Box 32 mm (10-Pack)

Item Code: 350-642-PL

excel
without compromise.

✕ Clip-shut design no screws required

✕ Integrated ID window for easy labelling

✕ Knockout LJ6C blanks for unused insert positions

✕ Slotted and plain fixing holes to support easy fitting

✕ Made from 80% recycled material

✕ IK Rating of IK06

Product Overview

The Excel GOP Plastic Box has been completely redesigned to deliver improved performance, easier installation, and enhanced durability. Manufactured from recycled plastic containing at least 80% recycled material. The new range provides a lower weight configuration that achieves mechanical integrity without compromise to integral strength.

Available in 2-way, 4-way, and 6-way configurations, each version is optimised for common conduit sizes, 2-way accepts 25 mm conduit (narrow design), 4-way accepts both 25 mm and 32 mm conduit and includes a threaded adaptor, 6-way accepts 32 mm conduit.

Designed for use at the end of flexible conduit runs, GOP Boxes are ideal for grid-layout outlets within raised floor systems. The plastic housing features a generous underside radius to assist with clearance through desktop cable holes, allowing flexible positioning to suit varying office layouts.

Once installed, the box is typically secured to the underside of the desk, with the conduit routed through the floor tile via a grommet. Impact-tested for reliability, the Excel GOP Plastic Box offers a robust, flexible, and installer-friendly solution for modern office cable management.

Product Specifications

Feature	Values
Surface mounted	yes
Floor box/sub-floor mounted	yes

Excel 6 Way Enhanced Plastic GOP Box 32 mm (10-Pack)

Item Code: 350-642-PL

Type of fastening	Clip
With outlets / modules	no
Suitable for number of outlets / modules	6
With label space	yes

Additional specifications

Feature	Value
Impact Rating	IK06
Material	ABS Plastic
Material standards	UL94V
