# Excel Enbeam 240 mm Trunking Cover LSOH 

Item Code: 460-033

## Flame-retardant ABS material

## $x \mathrm{LSOH}$

Extremely adaptable, will evolve to suit this
demanding market demanding market

## X Easy to assemble

## $\chi$ Fast installation, minimum labour

## $\lambda$ Choice of width: $120 / 240 \mathrm{~mm}$

## Product Overview

Enbeam Yellow Duct System: Piecing together in individual segments, Excel's duct trunking system is flexible and suitable for an endless array of installations. A range of unique trunking segments in a variety of bend radii and lengths connect together in an infinite number of ways, allowing users to create a fibre storage solution that is fit for purpose.

As each segment of trunking is a standalone piece of plastic, users can simply remove the section of the cover that they need and make changes to the installation without having to disrupt the whole system, which increases the durability and longevity of the system overall. The system is fully enclosed, protecting the fibre from dirt and dust.

Knowing that cleanliness is one of the most important factors when installing fibre optic cable, the fact that this trunking system helps to limit the contamination to the fibre makes it a strong contender for users choosing a trunking option.

Product Specifications

| Feature | Values |
| :--- | :--- |
| Cover width | 240 mm |
| Length | 2000 mm |
| Type of fastening | Snapped on |
| Material | Plastic |
| Material quality | LSZH |
| Colour | Yellow |

## Standards

| Applicable standard | Detail |
| :--- | :--- |
| RoHS-III-III (2011/65/EU \& 2015/863): 2023 | Our products, demonstrate full adherence to the <br> regulatory stipulations of the EU Directive 2011/65/EU <br> (RoHS-II) and its corresponding delegated directive <br> 2015/863 (RoHS-III). |
| WFD: 2023 | Compliant to Waste Framework Directive |
| SCIP: 2023 | Compliant - Does Not Contain Substances of Concern In <br> articles as such or in complex objects (Products) |
| POPs (EU) No 2019/1021 | EU Regulation for the restriction of Persistent Organic <br> Pollutants. |
