Main Features

- / Monitors water leaks
- / Water detection rope length 10 meter
- / Can be used in conjunction with other sensors
- / Connection lead 2 meter
- / Use with INT1 and INT3 intelligent PDUs

Product Overview

The Excel water leak detection rope comes in a length of 10 meter and plugs directly into the Excel intelligent PDU such as INT1 or INT3 models (meaning there is no need for additional power supplies).

The water leak detection provides valuable protection for your servers and equipment against damaging water leaks from malfunctioning HVAC systems, cafeteria accidents, or any general plumbing failures in your facilities.

Simply lay its sensing cable around your equipment, place it on the floor or beneath a raised floor, inside the rack floor.
