Main Features

- / Choice of heights available
- / Rounded cable management fingers to avoid cable damage
- / Doors open left to right, or right to left
- / ABS cable management fingers
- / Lockable aluminium double hinge doors
- / Cable spools in vertical design from 8" wide and above

Product Overview

The Environ OR series of cable management solutions are designed for standard through to high density cable management within enterprise and data centre environments. The vertical designs are specifically relevant where the use of angled patch panels, or ports is preferred due to the required port density. Options are available in a range of widths with front only, or front and rear management, each based on the same core design. Each manager has a rear frame manufactured from powder coated welded sheet steel and is fitted with full height, ABS plastic cable management finger assemblies which have a rounded finish to prevent cable damage or stress. Each frame has a full height hinged door manufactured from formed and powder coated aluminium to provide a strong but lightweight finish to any installations. The doors can be locked to secure cable access, and via simple fitted twist handles can hinge from left...

Product Specifications

Feature	Values
Model	Vertical cable management
Material	Metal
Suitable for 19 inch mounting	no
Height	2278 mm
Width	152 mm
Length	508 mm
Number of rack units (RU)	48

Environ OR HD Vertical Cable Management Front & Rear 48U x 152 mm Wide x 508 mm Deep
