Main Features

/ Choice of depths

/ Perforated design

/ Available in Grey White and Black

/ 25 Year system warranty

Product Overview

Environ rack shelves can be used to support both active and non-active data equipment within the rack that is not 19" rack mountable. These shelves can be used to support equipment from any industry to create the desired solution.

Installation is achieved by attaching to both the front and rear 19" profiles using M6 fixing hardware and are vented allowing for air circulation around the communication equipment.
