## Environ SR800 42U Rack 800x1200mm W/Vented (F) W/Vented (R) B/Panels F/Mgmt Black

Item Code: 544-42812-WWBF-BK

### **Product Overview**

Environ SR800 Server Racks are a versatile range of 800 mm wide racks with features suitable for a wide range of high density server and equipment applications within the data, security, audio visual and telecommunications application in standalone environments.

Environ Series SR800 Server Racks feature single vented front door, double vented rear doors, both side panels and front cable management, but can be configured to customer requirements.

The Rack is available in a range of sizes including 1000 mm or 1200 mm deep with options for front cable management, various cable trays and different handles.

They come with baying kits, jacking feet and castors as standard and support up to 1500 kg of static load.
