## Main Features

- / Available in 42U, 47U and 52U sizes
- / Airflow management baffles as standard
- / Upgraded cable tray fitted both sides
- / High ventilation flat mesh doors front and back
- / Entry/exit points in roof compatible with 16A, 32A and 64A EN60309 Commando plugs

## Product Overview

Elevate DCR Series with Vented Front Door, Double Vented Rear Doors, both side panels. The new Elevate data centre racks are a versatile range of 600 mm or 800 mm wide racks designed for the data centre market and based on our successful, market accepted Excel Rack design.

The new DCR series feature the same flexibility of options and configuration with higher airflow mesh doors, airflow management baffles at the front, finger style cable management and upgraded manual or optional electronic handles.

There is also improved cable access with full depth wide brush strips on the roof and additional large cutouts for 125 amp Power The network model also has cabinet to cabinet cable routing via side brush openings and multiple brush entry through the airflow management baffles and includes front cable management.

## Product Specifications

| Feature                        | Values         |
|--------------------------------|----------------|
| Mounting Profile               | Front and rear |
| Type of profile rail           | L-shaped       |
| Number of doors                | 2              |
| Type of ventilation            | Passive        |
| Width                          | 600 mm         |
| Height                         | 2446 mm        |
| Depth                          | 1200 mm        |
| Modular spacing                | 19 inch        |
| Number of rack units (RU)      | 52             |
| Max. load capacity             | 2000 kg        |
| With roof plate                | yes            |
| With earthing                  | yes            |
| With front door                | yes            |
| Front door material            | Steel          |
| Front door locking system      | Two-point      |
| With rear door                 | yes            |
| Rear door material             | Steel          |
| Rear door locking system       | Three-point    |
| With glazed door               | no             |
| Side panels included           | yes            |
| With vertical cable management | no             |
| Material                       | Steel          |
