

# Elevate DCR800 52U Rack 800x1200mm Vented (F) D/Vented (R) B/Panels F/Mgmt Grey

Item Code: 546-52812-VDBF-GW

Available in 42U, 47U and 52U sizes

High ventilation flat mesh doors front and back

Airflow management baffles as standard with cable management

Entry/exit points in roof compatible with 16A, 32A and 64A EN60309 Commando plugs

Upgraded cable tray fitted both sides

Front finger cable management as standard

CIBSE TM65 Embodied Carbon: 1328.022 kg CO2e

## Product Overview

Elevate DCR Series Network Model with Vented Front Door, Double Vented Rear Doors, both side panels and Front Cable Management. The new Elevate data centre racks are a versatile range of 600 mm or 800 mm wide racks designed for the data centre market and based on our successful, market accepted Excel Rack design.

The new DCR series feature the same flexibility of options and configuration with higher airflow mesh doors, airflow management baffles at the front, finger style cable management and upgraded manual or optional electronic handles.

There is also improved cable access with full depth wide brush strips on the roof, cabinet to cabinet cable routing via side brush openings and multiple brush entry through the airflow management baffles.
