Main Features

- Supplied in pairs
- Only suitable for Environ DCR Rack
- Available in 600 and 800 width
- Install in pre-drilled positions

Product Overview

These new roof raceway trunking channels are created by installing a pair of these V shaped brackets onto the DCR Rack roof. There are pre-drilled holes in the centre of the roof running front to back, the outer side holes are installed using the self tapping screws supplied. They can be set in any position and pitch to create the raceway required.
