

Excel Modular PDU 5x IEC320 C13 10A Socket

Item Code: 555-061

excel
without compromise.

Hot swappable modules

Fused

Aluminium housing

Future-proof

Choice of socket style and density

Product Overview

A range of socket modules for the Excel Modular PDUs which snap into the aluminum housing quickly, easily, and securely without the need for tooling.

The range of modules available enable users to mix and match socket styles to suit initial - and more importantly - changing connectivity or socket density requirements. Current 'standard' power distribution units offer little if any flexibility, meaning users have to install single style socket units, multiple units, or purchase power leads or converters to match equipment connectors with power strip sockets.

Product Specifications

Feature	Values
Mounting direction	Vertical
Electrical connection	Receptacle
Number of C13 socket outlets	5
Supply voltage	250 V
Switchable	no
With LED indication	yes
With fuse	yes
Ammeter	no
