

# Excel Desktop Power Distribution Unit - 4x UK Sockets 2x 6C Aperture

Item Code: 555-273

✕ Desktop mounting

✕ USB power option

✕ Power cord sold separately (available in 2/3/5 metres)

✕ Optional 6c apertures

✕ Illuminated master power switch

✕ CIBSE TM65 Embodied Carbon: 32.746 kg CO2e

## Product Overview

Excel Desktop Power Distribution Units offer a convenient addition to the work place. They are supplied in a stylish anodised aluminium outer casing and they are easily fitted to the desktop with the supplied clamps.

With the option of the 6c Apertures and the USB power points, they increase the flexibility of any work area for the resident or casual occupant. The USB outlets supply up to 2.1 Amps permitting phones and tablets to be charged.

An illuminated master power switch is fitted to each PDU. The power leads are supplied separately to ensure that the correct length is selected.

## Product Specifications

| Feature                          | Values           |
|----------------------------------|------------------|
| Model                            | Surface mounting |
| Shape                            | Rectangular      |
| Material                         | Aluminium        |
| Colour                           | Silver           |
| Length                           | 325 mm           |
| Width                            | 78 mm            |
| Height                           | 91 mm            |
| Number of UK BS1363 sockets      | 4                |
| Number of empty module positions | 2x 6c            |
