

# Elevate IPLite Vertical PDU 16x C13 16 A EN60309 3m

Item Code: 555-IPL-V-16C13-16A-3

**excel**  
without compromise.

- ✕ Monitors overall energy usage
- ✕ Local LCD colour display
- ✕ Slimline (45 mm) wide design
- ✕ Embedded free software
- ✕ Link up to 31 units from single master
- ✕ Choice of UK, Schuko, C13 and C19 sockets
- ✕ Horizontal and vertical options and optional sensors: temperature, humidity and door

## Product Overview

The Elevate IPLite range of intelligent PDU is a UK manufactured energy monitoring PDU providing local and remote overall power energy monitoring with a high degree of accuracy. The excel IPLite range PDU's come as standard with C13 and C19 sockets powered by EN60309 Com16 or Com32 power plugs in a number of combinations as single phase units and come with Neutrik input connectors and separate mains leads to provide flexibility.

They are also available with other socket types including UK, UK left, UK right, or schuko sockets up to a maximum of 42 sockets.

PDU's can also be daisy chained with 32 devices being monitored via one IP address from a single master PDU, provided with free software allowing remote monitoring via easy HTML browser access with secure login.

They are all fitted with an RGB backlight LCD display, and provide real time power usage across all connected devices with the ability to setup SNMP and email alerts for critical parameters.

Overall energy measurements with an accuracy of better than 1% include, RMS Volts, RMS Amps, Kilowatts, Frequency, Power Factor, Internal PDU Temperature, Peak Volts, Peak Amps, kVA and kWh.

## Product Specifications

| Feature               | Values                    |
|-----------------------|---------------------------|
| Mounting direction    | Vertical                  |
| Electrical connection | Connecting cord with plug |

# Elevate IPLite Vertical PDU 16x C13 16 A EN60309 3 m

Item Code: 555-IPL-V-16C13-16A-3

|                                  |                                |
|----------------------------------|--------------------------------|
| Type of electric plug connection | 16 Amp - EN6039 Style (BS4343) |
| Cable length                     | 3 m                            |
| Number of C13 socket outlets     | 16                             |
| Supply voltage                   | 230 V                          |
| Surge Protected                  | no                             |
| Switchable                       | no                             |
| SNMP                             | yes                            |
| Display                          | yes                            |
| Evaluation                       | Remote                         |
| With LED indication              | yes                            |
| With fuse                        | no                             |
| Ammeter                          | yes                            |
| With mounting bracket            | yes                            |

## Additional specifications

| Features                       | Values   |
|--------------------------------|--|
| Technology                     | Overall monitoring   |
| Energy Metering                | RMS Volts, RMS Amps, Kilowatts, Frequency, Power Factor                  |
| Metering per Input Line        | Yes  |
| Metering per Output Receptacle | No   |
| Remote Outlet Switching        | No   |
| Environmental port             | Yes  |
| Networking                     | SNMP (v1, 2, 3), HTML, HTTP, HTTPS, XML, Email Alerts                    |
| Remote Management              | Yes  |
| Daisy Chain                    | Yes (1 Master up to 31 Slaves)   |
| Display                        | Local (remote display optional)  |
| Environmental Sensors          | Temperature Sensor Port (Up to 8 Sensors), Humidity / Temperature Sensor |
| Frequency                      | 50 - 60 Hz   |
| Main Input                     | 85 - 265 VAC   |
| Colour                         | Black (standard) - other colours available                               |
| Temperature Range              | -10° to +50° C   |
