Product Overview

Our high-quality range of laser engraved labels for patch panels, outlets, cable looms and enclosures ensure that every application can be professionally labelled.
All labels are made to precisely fit our range of products, and 3rd-party products as required.

Excel's Specialist Support Services labels cover cabinets, patch panels, GOPs, faceplates & outlet modules, cable looms, network switches, servers, cameras, devices and all types of enclosures. We can provide the highest quality laminated, laser-engraved labels printed to your specific requirements and shipped the same day, or we can print and install the labels onto the required products in your order for complete convenience. All labels can be printed with plain text or include your company logo, and can be any size up to 450mm x 300mm.
