

# Excel Modem/Cantilever Vented Shelf 1U 190mm Grey

Item Code: MS19

✕ Choice of depths

✕ Choice of colours

✕ Perforated design

## Product Overview

Cantilever Shelves can be used to support both active and non-active data equipment within the rack that is none 19" rack mountable, these shelves are fitted to the front 19" profiles using M6 hardware and are vented which allows for air circulation around the equipment. This shelf is commonly deployed in wall racks but can also be used in floor standing racks, universal fitting allows them to be used in a wide range of racks. The shelf allows for fitting of equipment in situations where one set of profiles have already been used for existing equipment.

## Product Specifications

Feature	Values
Model	Cantilever shelf
Width	19"
Height	1u
Depth	190 mm
Max. load capacity	10 kg
Material	Metal
Colour	Grey

# Excel Modem/Cantilever Vented Shelf 1U 190mm Grey

Item Code: MS19

## Standards
