

Excel Network Termination Unit

Item Code: NTE5A

✕ Industry Standard

✕ Full PSTN Mastered

✕ Krone IDC

Product Overview

The NTE5 is an industry standard network termination unit. The product is fitted inside customer premises and offers a demarcation point between network and consumer wiring. Using a removable lower cover, consumer extension wiring can be easily isolated from the telephone network facilitating easy fault location.

The NTE5 is supplied fully mastered i.e. with ring capacitor, surge arrestor and out-of-service resistor.
